## BONUS FEATURE

**NOTE:** In the Jacks or Better game there is BONUS ROYAL flush “special hand” that is made available to the Player with increasing odds as more hands are played. The odds begin at 1:40000 just like a natural Royal Flush, but it becomes statistically more probable after each hand is played until the odds of 1:800 are reached. Then, if the BONUS ROYAL is “hit”, the Player will be teased with 3 random cards from 10 through ACE in the SAME SUIT. **Will you GO FOR IT and get the BONUS ROYAL????**

\*\*\*The BONUS ROYAL only pays HALF the payout of a natural ROYAL FLUSH\*\*\*
